

***City of Romulus – Resolution 13-295***  
***Moratorium – DTE Smart Meters***

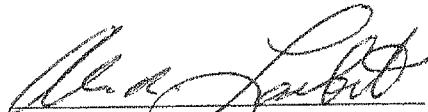

**WHEREAS** at the regular City of Romulus Council meeting held on Monday, September 9, 2013, City Council unanimously passed a resolution to place a six-month moratorium on the installation of DTE Smart Meters in the City of Romulus; and

**WHEREAS** several residents have expressed concerns to the legislative and administrative bodies of the City regarding DTE smart meters. Their concerns center primarily on privacy, radio frequency waves and safety/health issues; and

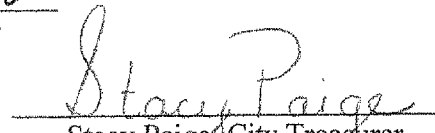

**WHEREAS** the City of Romulus, its elected leaders and its citizens, have worked tirelessly to attract positive investments while rejecting those that put our public health, environment and quality of life at risk; and

**NOW, THEREFORE BE IT RESOLVED** that for the future of Romulus, the City Council remains unrelenting in our commitment to standing with the citizens of our great city in strong, unequivocal and complete opposition to the installation of smart meters without allowing residents the ability to opt out of the program without suffering financial penalties or incurring monthly charges, and to also have the choice to retain their analog meter without penalty; and

**NOW, THEREFORE BE IT FUTHER RESOLVED** that the City Council of Romulus calls on the Michigan Public Service Commission and Attorney General, Bill Schuette, to take all regulatory procedures needed to investigate all the aforementioned concerns for the health and welfare of our citizens.

  
Alan R. Lambert, Mayor
